

West Virginia University

College of Education and Human Services Department of Learning Sciences and Human Development Assistant Professor - Instructional Design and Technology

The College of Education and Human Services at West Virginia University (WVU) seeks applications for a nine-month tenure track Assistant Professor of Instructional Design and Technology with a start date of August 15, 2016.

Prospective applicants are encouraged to visit the College of Education and Human Services of West Virginia University website at <http://www.cehs.wvu.edu>

Qualifications:

1. An earned doctorate, a PhD or EdD in a relevant field by the time of appointment
2. Ability to teach face-to-face, online and hybrid graduate level courses in instructional design, educational technology, and multimedia development
3. Well-defined research agenda and publication dissemination commensurate with experience as indicated by Curriculum Vita

Responsibilities:

1. Teach graduate courses in Instructional Design and Technology and other related disciplines in both face-to-face and online settings.
2. Contribute to departmental priorities through collaboration with faculty.
3. Engage in scholarly activities leading to publication and external funding.
4. Advise graduate students, serve on student committees and direct doctoral research.
5. Establish and maintain positive interdisciplinary relationships with College faculty.
6. Provide service to the department, college, and profession.

Compensation:

Salary competitive and commensurate with qualifications and experience.

Application process:

The review of candidates' materials will begin on November 1, 2015 and continue until the position is filled. Applicants should submit a letter of interest outlining professional experiences and goals in relation to the position; curriculum vita; and the names, addresses, phone numbers, and email addresses of three professional references. Application materials should be sent by email to Dana Musick (dmusick2@mail.wvu.edu). Please direct questions about the position to Dr. Neal Shambaugh, neal.shambaugh@mail.wvu.edu.

West Virginia University is located in Morgantown, WV and is the State's comprehensive Land Grant University with an enrollment of nearly 32,000 students and a Carnegie Classification - High Research. Morgantown is ranked among the most livable small cities in the country. The city is readily accessible and within driving distance from Pittsburgh, PA and Washington, DC. For more information on WVU and Morgantown, see <http://www.wvu.edu> and <http://www.morgantown.com>. For additional information on the College, please visit <http://cehs.wvu.edu>.

WVU is an EEO/Affirmative Action Employer. Under represented class members are encouraged to apply. This includes: minorities, females, individuals with disabilities and veterans.
